Curiosity beats confidence.

The SPIKE Interview Loop.

DAY 2

Ask better questions.

Good questions
create great conversations.

5 Questions. Start Great Conversations.

1

What inspired
you to enter
financial
services?

2

What financial
challenge do
you help people
solve most
often?

3

What skills
matter most
in this
career?

4

What
surprised you
after joining
the industry?

5

If you started
again today...
what would
you do
differently?

“Listen **twice
as much as you
speak.”**

Capture what matters.

Write down memorable
quotes, key insights, and
surprising observations—
not just your opinions.

DAY 2

Find Patterns.

One interview gives you a **story**.
Ten interviews reveal an **opportunity**.

Before you leave...

Return with

✓ **3** insights

✓ **2** quotes

✓ **1** surprise

Share & Learn.

Take turns sharing your insights, quotes, and surprises.
Listen actively and **ask questions** to go deeper.

Be brief.

2–3 minutes per person.

Listen to understand.

Don't just wait to reply.

Ask good questions.

Dig deeper. Stay curious.

Be respectful.

Different perspectives make us better.

What did you **discover**?

Every conversation is **data**.

Pattern Mapping

Let's find the patterns in what we heard.

Add your key takeaways to the wall.

One idea per sticky note.

Clients

What did we learn about clients and their needs?

Want simplicity

Trust is earned

Value personalization

Overwhelmed by choices

Need help saving time

Prefer human relationships

Transparency matters

Different needs across life stages

Careers

What did we learn about careers in this industry?

Purpose driven work

Hybrid roles are rising

Continuous learning is critical

Portfolio careers are growing

Tech + human skills

Meaningful impact

Mentorship matters

Non-linear paths

Challenges

What challenges or pain points came up?

Regulation creates friction

Legacy systems

Data quality issues

Customer education

Siloed teams

Change is slow

Balancing risk & innovation

High cost of acquisition

Success

What does success look like?

Long-term relationships

Financial confidence

Measurable impact

Empowered teams

Client satisfaction

Scalable solutions

Integrity & trust

Learning culture

Surprises

What surprised us most?

Many don't trust banks

Younger clients think differently

High interest in sustainability

People want more guidance

AI adoption varies widely

Job roles evolving fast

Some needs we didn't expect

Big gap between perception & reality

Stand up. Move around. Cluster similar ideas. Let's make meaning together.

**“The best insights
weren’t the **answers...**
They were the
unexpected questions.”**

Opportunity Canvas

Where could we **create value**?

Let's turn what we learned into opportunities worth pursuing.

Research Begins.

Now **validate** what
you've discovered.

Interview

Debrief

Research

Reflection

Research Canvas.

Understand deeply. Discover opportunity.

OUR SQUAD: _____

OUR CHOSEN SEGMENT: _____

1

WHO ARE THEY?

Who is this customer?
What stage of life are they in?

2

WHAT MATTERS MOST TO THEM?

What goals, dreams, or priorities
shape their financial decisions?

3

WHAT FINANCIAL CHALLENGES DO THEY FACE?

What keeps them awake
at night?

4

HOW ARE THEY SOLVING THESE CHALLENGES TODAY?

What products, services, or
behaviors do they rely on?

5

WHERE IS THE OPPORTUNITY?

Where could a financial
entrepreneur create real value?

DAY 3 DELIVERABLE

Customer profile

Key insights

Evidence

Opportunity statement

GOAL: Uncover insights that lead to opportunities worth building.

Great insights today.

This is just the beginning.

1. Interview

You heard
real stories.

2. Debrief

You found
patterns.

3. Research

You'll validate
and go deeper.

4. Design

You'll create
solutions.

5. Pitch

You'll present
what matters.

Before we close, let's reflect.

Take 10–15 minutes to capture
your key takeaways in your **SPIKE Playbook**.

What insights surprised you most today?

What patterns stood out to you?

What opportunities feel most exciting?

See you on Day 3!

Come prepared to share your research.

Your Mission:

Understand deeply.
Create value.

Thank you for your energy and curiosity today!

**Keep exploring.
Keep building.**
