

DESIGN YOUR VENTURE.

Today your opportunity
becomes a **venture**.

SQUAD PRESENTATIONS

Let's hear your research, insights,
and how your venture aligns with AIA.

HOW FAR WE'VE COME

You've taken important steps.

Now, we design your venture.

DAY 1

KNOW YOURSELF

You discovered your strengths, values, and purpose.

DAY 2

KNOW THE INDUSTRY

You explored the financial advisory industry and its opportunities.

DAY 3

KNOW YOUR CUSTOMER

You researched, understood, and identified the right people to serve.

TODAY

DESIGN YOUR VENTURE

You will design a venture that creates value and makes a difference.

YOU DIDN'T REALIZE IT, BUT YOU'VE ALREADY BEEN BUILDING YOUR VENTURE.

EVERY SUCCESSFUL VENTURE HAS A BLUEPRINT.

Great results start with a clear plan.
That's how great ventures are built.

ARCHITECTS
use blueprints.

ENGINEERS
use plans.

PILOTS
use checklists.

DOCTORS
use diagnostic frameworks.

Entrepreneurs use **BUSINESS MODELS.**

GUESS THE BLOCKS!

This is your Financial Entrepreneurship Canvas with 12 important building blocks.

Without any explanation, work with your squad and answer these questions:

1

WHAT DO YOU THINK EACH BLOCK MEANS?

Write your best guess inside each block.

2

WHICH BLOCK DO YOU THINK IS THE MOST IMPORTANT?

Discuss and be ready to share your answer.

3

THERE ARE NO RIGHT ANSWERS.

Just your ideas, your perspective, and your curiosity.

After 5 minutes, we'll share insights and reveal what each block is all about.

This is your venture blueprint. Let's explore it!
